1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium allocations and conditions of grant guidance 2022 to 2023](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what academies should publish online](#), and complies with our funding agreement and articles of association.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

The Sutton Trust toolkit provides strategies for the *school* to consider employing with different cohorts of pupil premium pupils. In addition, we use evidence based research and resources from the [Education Endowment Foundation](#) and their guide to the pupil premium to inform how the funding is allocated. The school takes a 3-tiered approach in allocating the pupil premium funding:

1. Support the quality of teaching, such as staff professional development;
2. Provide targeted academic support, such as tutoring; and
3. Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

All use of funding is research based and activities align with the DfE's 'menu of approaches'.

– **please see our Pupil Premium Spending Plan for full details.**

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra small-group support
- Ensuring high quality teaching and developing routines in classrooms to support excellent learning
- Supporting staffing in core subjects
- Provide revision materials and revision support sessions
- Running catch-up sessions before or after school

- Providing extra support in half terms and Saturdays where needed
- Funding educational trips and visits
- Supporting pupils with their attendance
- Supporting vulnerable pupils with the transition into secondary school
- Developing Literacy from Year 7 through to Year 11, providing set texts where required
- Supporting the more able pupils
- Provide careers and post 16 advice
- Musical instrument lessons

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Information on how the school uses the pupil premium is available here: <https://lawnmanor.org/pupil-premium/>

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Years 7-11.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post-looked after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

- Pupils recorded in the most recent October census: With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
