

Uniform & Presentation Expectations

High standards of uniform and presentation are expected of all pupils at Lawn Manor Academy and the school unashamedly takes pride in this. There are good reasons for this. A smart uniform helps to create a sense of community; it also removes distraction and competition which may be caused by an individual's style of dress and allows pupils to concentrate on learning. Uniform must be worn to and from the school; it is not acceptable for pupils to arrive to school in non-uniform items and then change them. The Dress Code and Behaviour policies are clear that there are **no exceptions** to these expectations, and they explain the consequences that will be put in place should a pupil not meet the requirements.
