

TERM 2 - 2025 NEWSLETTER

HEAD OF SCHOOL - UPDATE

As we reach the end of Term 2, I want to take a moment to reflect on what has been an incredibly busy and rewarding term here at Lawn Manor Academy. It has been wonderful to see our pupils embracing every opportunity in true 'Lawn Manor Way' style!

This term has been packed with enriching experiences: from exciting trips, competitions, our Lit Fest and our outstanding Careers Fair, which every pupil in the school attended, opening doors to future aspirations. I would like to congratulate our Year 11 pupils who worked exceptionally hard preparing for their first set of PPEs, and we are proud of their commitment and determination.

Christmas at Lawn Manor has been a truly special time. Our festive weeks included delicious Christmas lunches, the beautiful Carol by Candlelight Concert, and performances that spread joy in local care homes and at the OK4U Centre. These events highlight the strength of our community and the generosity of spirit that defines our school.

As we look ahead to Term 3, there is much to anticipate: Year 11 will begin their preparations for PPE2, and we have Personal Development Day 3 in January, offering another chance for pupils to broaden their horizons and develop essential life skills.

On behalf of everyone at Lawn Manor Academy, I would like to wish you and your families a wonderful holiday, and a Happy New Year. Thank you for your continued support - together, we make Lawn Manor a place where every pupil can thrive.

***Russell Langdown
Head of School***

A new school building is on the horizon at Swindon's

Lawn Manor Academy.

Swindon South MP Heidi Alexander, the Secretary of State for Transport, recently made a visit to her former school.

During her visit, Ms Alexander met members of the school council and spoke about her career in politics and recent developments in education policy.

The MP described the visit as emotional and praised the pupils for their thoughtful questions.

Governors Wanted

As a governor, you'll help shape the future of Lawn Manor Academy, support school leaders, and make a difference for young people in Swindon.

Vacancies for Volunteer Governors

**Are you enthusiastic about education? Do you have a willingness to be a volunteer?
If so, Lawn Manor Academy needs you!**

We are looking for committed people to join our friendly governing body. Our governors come from a range of different backgrounds, skills, and experiences, but all share a common interest in wanting the best possible education for the children in our school. Governors are essential for the effectiveness and success of the school, and it is an extremely rewarding and fulfilling role.

Governors act as a critical friend, working voluntarily to strategically oversee the running of the school. In partnership with the trustees of Ascend Learning Trust, local governing bodies help to ensure that there is:

- 1) Accountability – justification for the decisions that are being taken**
- 2) Oversight – scrutiny and investigation of the key decision-making and performance of the school**
- 3) Assurance – confidence that the school is operating effectively and compliantly on a day-to-day basis and is on a stable footing.**

They also ensure that the school is carrying out its statutory duties and is compliant in areas such as safeguarding and health & safety.

While experience would be a positive, it is not essential; training will be provided, and we are committed to ongoing development both individually and as a governing board. While knowledge of the education environment would be useful, a desire to help the next generation get the most out of their education and to positively expand their horizons is critical.

How to apply

Interested? Please email Andrea O'Farrell, Clerk to Governors at aofarrell@lma.ascendlearningtrust.org.uk for further information.

Remembrance Day

Pupils and staff all came together to commemorate Remembrance Day and honour the service and sacrifice of those from worldwide conflicts.

We marked the day with a wreath-laying and a performance of The Last Post by music teacher Mr Saunders, followed by a 2-minute silence.

A Year 8 pupil played a piece on her violin, which was broadcast on the school's social media as a community-wide mark of respect.

Head of School, Russell Langdown said:

“Remembrance Day is a time for reflection and gratitude to those who gave their lives for our freedom today. It is inspiring to see our pupils engage with such sincerity and respect. Isabella’s performance and the laying of the wreath on behalf of all pupils show how deeply our school community values remembrance and the lessons of history.”

“As we work towards our status as a Beacon School, driven forward by our commitment to Holocaust education, remembering and reflecting on the past is a key aspect of preparing our pupils to be well-rounded, informed, and responsible adults in the future.”

Anti - Bullying week 2025

To celebrate individuality and promote kindness , we invited pupils and staff to wear their odd socks - a fun way to show that we 're all unique and that our differences make us stronger.

Let's keep the conversation going and stand together against bullying.

Lawn Manor Academy has marked this year's Anti-Bullying Week with a special appearance from Swindon-born international martial arts businessman Matt Fiddes.

With a week-long timetable of activities that celebrated their pupils and this year's theme of 'Power for Good', Lawn Manor Academy was also invited to speak on a national anti-bullying panel to show how their commitment to anti-bullying is being implemented across the school.

"Work hard, stay positive, remember, dream it, achieve it, believe it, go after your dreams."

Assistant Headteacher of Lawn Manor Academy and Senior Lead for Anti-Bullying, Mr M Koza, was also invited to speak in front of other schools across the country about their work as part of their United Against Bullying Plus (UAB+) pilot programme. Spearheaded by the Anti-Bullying Alliance in partnership with Kidscape, the initiative worked with 18 schools across the country to provide school support and additional staff training.

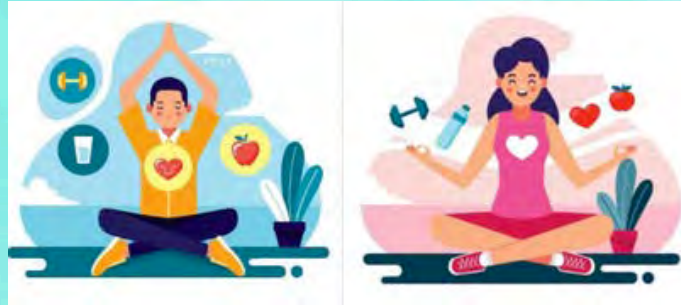

Mr Koza explained: *"Anti-bullying is part of our school's DNA, and inclusion, respect and celebrating diversity are embedded into everything we do. We encourage pupils to make a difference and use their 'Power for Good' by giving them real responsibility and visibility"*

"Through taking on important roles such as 'Welcome Ambassadors' and peer mentors, our pupils model positive behaviour and inclusion. They take shared responsibility for co-planning events and signing the 'I RESPECT' charter each year reinforces shared responsibility and champions kindness and respect."

"Work hard, stay positive, remember, dream it, achieve it, believe it, go after your dreams."

Personal Development Day - 16.12.2025

A fun-filled day for all the pupils.

A special day where pupils engaged in activities focused on life skills, wellbeing, careers, character building, and so much more.

Activities included PSHE, RSE, careers education, cultural development, and essential life skills, such as communication, empathy, self-esteem, and resilience.

“Interactive and Experiential Learning: Engaging in collaborative problem-solving, hands-on challenges, and dynamic workshops that explore diverse environments and career pathways.”

Future-focused tasks covering topics like CV writing, university applications, and exploring different environments.

Wellbeing and Safety, addressing mental health, physical health, online safety, and managing emotions.

Children in Need Fundraising 2025 **Turning Rain into Results!**

A huge thank you to all staff who gave up their time to run events and make our fundraising for Pudsey such a success!

“Although heavy rain on the event day meant some activities had to be postponed until the following week, the incredible enthusiasm and generosity of everyone involved ensured we still raised an outstanding amount for this amazing charity.”

From cake sales to tug-of-war, basketball challenges, penalty shoot-outs, and even ballet spins, the creativity and commitment were incredible.

Special thanks to Year 7 for their brilliant efforts in raising money to see Mr MacDonald undergo his daring hair transformations – from shaving to dyeing yellow and adding spots!

Your support, donations, and Pudsey spirit truly made the difference. Every penny raised will help change lives, and we couldn't have done it without you.

Thank you for showing that, come rain or shine, our community always comes together for a great cause.

Young designer showcases her talents for Old Town's First Day of the Dead Festival

A talented young graphic designer has been given the opportunity to showcase her talents thanks to this weekend's Day of the Dead Festival in Swindon.

The Old Town Business Association organised the festival, and the chair, Mr Talikowski challenged Lawn Manor Academy's Year 10 Graphic Design pupils to create a poster for the event.

Phoenix was chosen as the winner thanks to her design promoting the event this weekend.

Phoenix said:

"I also did this because I wanted to highlight the diversity of different skulls, people attending the event, and those we will be celebrating at the event. I love illustration and really enjoy studying Graphics at Lawn Manor Academy and hope to do this in the future."

Mrs Morrison, Graphics subject lead at Lawn Manor Academy, added: *"This was an amazing opportunity for all of our Graphic Design pupils to take a real-life creative brief and create a piece of work that they feel meets that."*

Celebrating Diwali with Year 7 Lantern Designs

Before half term, the whole of Year 7 took part in a creative challenge to design lanterns in celebration of Diwali, the Festival of Lights, which is celebrated by millions of Hindus, Sikhs, and Jains around the world.

Diwali symbolises the triumph of light over darkness and good over evil.

We were thrilled with the entries, which not only brightened our day but also added such colour and joy to the social sciences corridor.

A huge thank you to everyone who took part!

Global Connections at Lawn Manor Academy

Lawn Manor Academy was honoured to receive a special gift from Glory School Nepal.

Our schools first connected in 2019, sharing good practice and learning about each other's cultures and experiences.

Sadly, COVID-19 halted our collaboration in 2020, but not before we presented to over 50 Nepalese Headteachers about tackling pandemic challenges.

Recently, Dr C Tipper and Ms B Harkness visited Glory School, where the link with LMA is still fondly remembered.

As a token of esteem, Principal Karna sent a beautiful plaque, which was presented to Mr Koza, | Assistant Headteacher

Here's to friendships that cross continents and inspire learning.

New SEND Early Years Specialist Centre

A new Specialist Early Years Centre has opened at the Everleigh Centre site in Penhill. The dedicated team includes early years practitioners and two family support workers.

The centre provides essential support for families, with an admissions process that prioritises those in greatest need. The facility promotes an engaging, calming, and inclusive environment, featuring:

- A soft play area
- A specialised sensory room
- A main playroom with age-appropriate books and activities
- A space for parents to connect and share experiences

Send Provision Expansion

Swindon Borough Council has increased its support for children with SEND by establishing 20 new specialist school places at Eldene Nursery & Primary School and Robert Le Kyng Primary School for September 2025. This follows the creation of 60 places in September 2024.

Funded by a £3.4 million grant from the Department for Education, the aim is to create up to 158 additional SEND places. More places are planned this year at Mountford Manor Primary and Oaktree Nursery & Primary School.
