

March 2026

Dear Pupil,

I am really excited that you will be joining us at Lawn Manor Academy in September 2026 - and I hope you're excited too!

Lots of Year 5 and Year 6 pupils who have already visited us have told us how much they enjoyed discovering what secondary school is like, and we can't wait for you to experience it for yourself as an LMA pupil.

You will be part of a fantastic new year group made up of pupils from more than 20 different primary schools, which means you will have lots of opportunities to make new friends and meet people who share your interests.

When you arrive at Lawn Manor Academy, you'll be able to study all the subjects you are already familiar with and also try lots of exciting subjects you may not have explored quite as much before; your timetable will include: English, Maths, Science, PE, Spanish, Religion, Philosophy & Ethics, Design Technology, Geography, History, Art, Dance, Drama, Music and Personal Development. It's your chance to discover new talents and find out what you really enjoy.

We also have a huge range of clubs, trips and enrichment activities for you to get involved in - from sports teams and performing arts, to special events and opportunities to travel. There is something for everyone, and we hope you'll grab those opportunities and give new things a go.

Over the next few months, you will get to meet some of the staff from Lawn Manor Academy, so you will already know friendly faces before you start. You'll also spend two full Transfer Days with us in Term 6, where you will explore the school, get to know your new I LEARN Tutor, and meet the people who will be in your I LEARN group. These days are always great fun and really help you feel ready for September.

You still have plenty to enjoy and achieve in Year 6, and all the hard work you're doing now will help you get off to a brilliant start when you join us. We can't wait to welcome you to your new school. Get ready - your Lawn Manor adventure starts soon!
